Subject: GHC Summer Special Follow-Up

Hello again All

Mea culpa! I knew the following item was due in from Sophie Moore (designer of our concert photo) specifically to be included in the earlier "special" and then forgot to check my emails for it prior to sending the special out so here it is now.

Bill

## **Free Historical Guided Tours in July and August 2010**

This summer, *L'Association historique francophone de Victoria*, in collaboration with the Society of Friends of St. Ann's Academy, invites you to follow a free historical guided tour in order to discover the heart of Victoria's Francophone past. These tours will be offered in English as well as in French and will take place on Fridays and Sundays. Meet us in front of St. Ann's Schoolhouse, on the east side of the Royal BC Museum and across from Helmcken House. Departures at 10 am on Fridays and 1 pm on Sundays for tours in French - 10:15 am on Fridays and 1:15 pm on Sundays for tours in English. We hope to see many of you there! Don't forget to bring your visiting friends and relatives, and to pass the word around in your English and French-speaking circles. For more information, contact the project coordinator Sophie Oliveau-Moore (**250-891-7702**) or the Society of Friends of St. Ann's Academy (**250-953-8820**).
