Hello to everyone on the GHC Possible Singers List

Members of the Gettin' Higher Choir has been invited to sing at the Gorge Canada Day Picnic on July 1st and around 100 of us are expected to be there.

We will be performing on the event's main stage at Admirals & Gorge at 2 p.m.

We will also be invited up to back up Shari Ulrich on a couple of songs during her set which starts at 4 p.m.

This great annual community picnic offers lots of other fun stuff to see and do before and between our performances!
