

Subject: GHC Summer Special Follow-Up  
Bcc: current all 1

Hello All

First

My thanks to Lee McLeod who emailed to ask me if I was still planning to post the large image video files for our last concert. As announced in a much earlier email I had planned on doing so but I life seems to have side tracked me to the point that I forgot to get back to it.

Done now! You can view either the smaller faster loading videos or the larger slower loading ones at:

Thanks again Lee for putting me back on track.

The following message arrived not long after yesterday's special went out:

Thanks to all who showed interest in the voucher for Hollyhock. It has now found a new home.

There was an error in the dates in Katrina Pavlovsky's item about her display in the central library's Artists Corner. They were extended after she submitted the item and you still have time to check it out. The item should have read as follows:

**HAPPY SUMMER!**

Katrina Pavlovsky Designs is pleased to announce a display of Katrina's photographic images from **July 16 - 30**, 2010 at the Artist's Corner. The Artist's corner is the display wall in the main branch of the Greater Victoria Public Library located by the talking book section.

Location address: 735 Broughton Street, Victoria. (250) 382-7241

For inquiries, orders and to set up a viewing with the artist, kindly contact Katrina at [info@katrinaphotographicart.com](mailto:info@katrinaphotographicart.com) or call (250)598-1846.

Katrina Pavlovsky's photographic images are bold, beautiful and inspired statements of nature and the sacred.

Thank you for dropping by.

Wishing you beauty,

Katrina

**YOUR HELP IN FINDING WORK IS REQUESTED**

The daughter of one of my best friends, is who also one of the best friends of my daughter, is looking for work in Victoria. She is an upbeat, intelligent young woman and would, I believe, be a valuable employee. She says:

Hello my name is Jasmine, I am 21 years old, and newly back to Victoria. I am looking for part time or full time work in hospitality or retail. I have my FoodSafe, Serving It Right, Super Host as well as 5 years of serving experience. I also have 4 years of experience as a image consultant in retail. If you or someone you know is looking for a good employee please contact me at [NeptunesNymph@hotmail.com](mailto:NeptunesNymph@hotmail.com).

Please pass this item on if you know someone who might be a prospective employer or who might be able to refer her to one.

Recommended by Bill Hanson GHC Bass etc.

That's all folks

See you at the drop-ins

Sing and summer in joy
