

Hello Again

These two items squeak in under the wire as Admin items so I am sending them out but I am hopeful that this is the last email for a while.

Sing and summer in joy

Hello All,

I have given the wrong recipient for our fundraisers in September.

The Nature Conservancy of Canada, established in 1962, is the recipient, not the Land Conservancy, which is a younger, provincial body.

This was brought to my attention by a GHC associate, who received Denis' missive. I also misspelt Denis' name, crediting him with an extra "n".

The latter is a detail, the former is a blunder on my part,

The Tillers' Folly/Hank Cramer/Valdy concerts are in Kamloops, **Victoria** and Nanaimo. We played a Stan Roger's Tribute show at the Mac last year, and this is the iteration of 2009's success.

Thanks for your help with this. Enjoy the tail-end of summer.

Love, Valdy

Hi

A big thank you to all you singers that raised your voices at the Aug. 21st Transition Town picnic, and to Gloria for making the SWAT happen! It was nice to see many of you visit the cedar rope-making, the flax-to-linen project, the sprouting, the Victoria Nut Tree Capital, solar heater, bike fit and other displays that exemplified what a low-carbon lifestyle might look like.

So, thanks again - your lovely demonstration of the joy of singing really added to the community spirit of this event!

Anke van Leeuwen, GHC soprano
