

Friends of the Mpambo Multiversity and Camosun College African Awareness Committee present

Fund-raising for the House of Indigenous Cultures at Mpambo Multiversity!

Standing tall on the shoulders of their ancestors, imagining and building a future greater than before, the next leaders of Afrika... will come from Afrika!

At a time when most of the news of Afrika contains scenes of violence and conflict, the story of **The House of Indigenous Cultures and Spirituality** at Mpambo Multiversity at the source of the Nile is one of hope and a vision for a different Afrika through mother-tongue scholarship and new beginnings... and *you* can help!

Please join us to learn more and have fun!
