We have applied for a \$100,000 CIDA grant to build a traditional crafts co-op workshop, a health education centre and a library at the school. The grant requires that we raise \$50,000. Pledges for \$12,000 are needed by March 28, 2009 to secure the matching grant.. Every dollar you pledge will be matched by two from CIDA. Pledges made now are payable in November, 2009. Thank you again for making a difference in the lives of students and families of Ahmadiyya Primary School.
