

TEAM GETTIN HIGHER CHOIR

Run for the Cure for breast cancer

INSTRUCTIONS FOR REGISTERING ONLINE

The Run for the Cure site can be somewhat difficult to navigate when trying to register. Here are step by step instructions that should make registering a lot easier for your team members!

How to Register Online - Step By Step:

1. Go to the Canadian Breast Cancer Foundation CIBC Run for the Cure website:
<https://www.cibcrunfortheure.com/html/en/about.asp>
2. Click on "Register" in the brown "Get Involved" box on the left.
3. Returning participants can enter their 2008 username and password to prefill their information. If they have forgotten their username / password, they can click on "Forgot your 2008 password or username?" and the information will be emailed to them.
4. New Participants should click on "Register Now".
5. The next step is to choose a run site (in this case, Victoria), and then click on "Register".
6. The next screen will ask for personal information, ask the participant to set up a fundraising goal, and choose a username and password. All fields that have a * are required fields.
7. Participants will be directed to the run waiver, which they must read and acknowledge by checking the box at the bottom of the waiver.
8. Participants now choose to either run as an individual or join a team. To join an existing team, click on "I want to join an existing team at my run location".
9. On the next screen, scroll down to "Join a Local Team", and input either the Team Captain's Name or the Team Name.
10. Select "Join This Team" on the next screen.
11. Participants will now be prompted to select their method of payment for registration. They may either pay \$40, or raise \$150 to have the registration fee waived.
12. After selecting their payment method and paying online (if required), Participants will be taken to a registration summary. If all the information is correct, click on "Complete Registration".
13. The participant is now a team member!!!
