

# ***Bach Flower Remedy Course***

with Joanne Marks,  
Bach Flower Registered Practitioner

This three part series will teach you the magic of plant spirit medicine, brought to the world through Dr. Edward Bach and his 38 Flower Remedies.

Flower Essences are safe, simple and profound in nature. They gently help us to help ourselves, aligning us with our inner virtues in times of stress, uncertainty, life transitions, self development and illness.

Flower Essences are preventative by nature and aid us through the ups and downs of daily life, helping us to shift out of chronic patterns.

Come and experience how Flower Essences work, how to use them in your own life and for children and animals as well.
